

# INTERNSHIP

## COVENANT 2012

Having a desire to serve Sale Baptist Church, to explore my ministry calling, to develop my giftedness and gain practical ministry experience, I covenant together with the pastoral team and other ministry interns to commit to the following:

- I will be involved and committed to the Internship for a period of one year
- I will participate in quarterly reviews with the knowledge that continuing the program depends on a satisfactory result
- I will strive for a balance between my ministry and personal life, not focusing on one to the neglect of the other
- I will be punctual and participate in all of the training, ministry programs/events and meetings as directed by the Associate Pastor
- My ministry focus for this year will be the set area of my internship
- I will attend all church services on a regular basis
- I will attend and participate in a regular small group
- I will attend Leadership Development events
- I will adhere to the 'Expectations of a Leader'
- I will be responsible for the cost of my study option
- I will notify the Associate Pastor if any of the above are not going to be met throughout the year
